

BISHOP SCHAD REGIONAL SCHOOL
PTA
2009-2010

Dear Parents/Guardians:

On behalf of the Bishop Schad Regional School PTA, I would like to welcome you to the 2009-2010 school year. This will be another fun and rewarding year for our students and we are proud to be able to enrich our school through fundraising and other school spirited activities.

I have enclosed an agenda of most of the fundraisers that we will be offering for the 2009-2010 school year. The monies raised from these fundraisers go directly to the school supporting field trips, school and class projects, tuition assistance and much more. Last year the PTA raised nearly \$50,000.00 and we are excited to say a large portion of this money went to purchase a new communication system for our school.

In addition to the fundraisers, we will offer family nights monthly where you and your family can come out and participate in a fun filled evening or afternoon with other families from our school. Events in the past have included karaoke night, ice skating, and pizza bingo just to name a few. We welcome new ideas and suggestions for these events as well.

PTA dues are \$5.00 per family. There is a form attached for you to fill out and send in with your dues or you can pay at "Back to School - Open House" on September 15. PTA will be set up in the school library on that date to answer questions, provide information, and have samples for upcoming fundraisers. There will also be sign up sheets available for volunteers.

Also, we are looking for parents to join our PTA board. Attached is a nomination form where you can nominate yourself or someone else you know who would be willing to chair an event or fundraiser.

If you have any questions, concerns or suggestions go to the school's webpage (www.brschool.org) and click on the PTA e-mail link. Also, look for our blog page with information on up-coming events. Let's make this another successful year and support the school by getting involved in PTA fundraisers and events!

Sincerely,

Beverly DiMatteo
PTA President
