

Activities Sheet

For students entering second grade

Complete one of the following activities based on one of the two books read over the summer. Be prepared to turn this in upon returning to school in September.

1. Movie Poster

Design a poster of your book as if it is going to be made into a movie. Color, Color, Color! You want it to encourage people to go see it at the movies! Include a sentence or two, as well as the title and author of the book.

2. Puppet

Make a stick puppet of the main character in the story. Draw the picture on poster paper, cut and color. Then attach a popsicle stick or make your puppet out of felt and glue pieces together.

Rising Second Grade Summer Reading and Math

Reading- Please read at least 2 books and choose one project to make. These are due on the first day of school!

Math-

- 1. Complete the IXL Summer Adventure. Work on IXL for about 20 min each day.**
- 2. Turned the signed packet in on the first day of school!**
