Bishop Schad Buy One Get One Free Book Fair

Dear Parents and Families,

The Scholastic BOGO Book Fair will be at our school Monday, May 20th, through Friday, May 24th.

This is a great opportunity to purchase books for summer reading. It is so important to encourage our children to read! A student who reads just 20 minutes per day will be exposed to 1.8 million words per year and can score in the 90th percentile on standardized tests.

In order to make our BOGO book fair a success, we need your help. If you would like to volunteer to help at the book fair, please text/call me, or complete the bottom portion and return it to the office to sign up. Thank you so much for your support throughout the school year!

Sincerely,

Lori Ferrari-DeCou
Book Fair Chairperson

About the Cost of Your Child's Education at Bishop Schad Regional School, Vineland

Bishop Schad Regional School recognizes the significant commitment you have made by choosing a Catholic school for your child. We thank you for entrusting us with your child's education and for being part of our school family.

The cost of a Catholic school education is shared by you, members of our faith community and others who believe in an education grounded in gospel values. This summary shows the actual cost to educate a child at Bishop Schad Regional School and the gap that must be filled in order to make that education possible.

You do not pay the full cost of your child's education at Bishop Schad Regional School.

Actual Cost Versus Full Tuition	
1. Actual Cost to Educate (ACE) per student	\$10,320.19
2. Full published tuition for 2019-20	\$5,500.00
3. Gap (1-2)*	\$4,270.00

*The gap for an individual student may be greater based on discounts for families with multiple students and/or needs-based tuition assistance.

About the cost and tuition

The "Actual Cost to Educate (ACE)" cannot be accurately calculated until after the close of a school year. As a result, the ACE shown above is for the 2019-20 school year. Tuition amounts shown above are for the current school year. Since the ACE typically increases every year, the gap will likely be higher once the ACE for the current school year is determined.

Funding the gap

Parishes in the Diocese of Camden support Catholic schools through the Inter-parochial Catholic School Fund (ICSF), a pooled resource that is allocated among the elementary schools each year. ICSF funds cover a portion of the gap; fundraisers and annual fund appeals, gifts and donations, and grants make up the difference.
